

**Product Discontinuation  
Notices****Product Discontinuation****HS-360X****Recommended Replacement****V450-H****[ Final order entry date ]**

The end of June, 2023 for the HS-360X handheld barcode readers.

NOTE: Acceptance and shipment of Final Orders are subject to product availability due to limited quantities to hand and scarcity of key components. However, since the V450-H is essentially the same product with just a different branding, color and part numbering, an equivalent V450-H unit will be shipped in case of such availability issues.

**[ Date of The Last Shipping ]**

The end of September 2023 for the HS-360X handheld barcode readers.

**[ Scheduled date of maintenance close]**

The end of September, 2026

NOTE: Maintenance is subject to product and component availability. Since the V450-H products and accessories are essentially the same as the HS-360X product and accessories, equivalent V450-H products and accessories may be used to fulfill maintenance.

**[ Caution on recommended replacement ]**

The V450-H models are anticipated to become available for order in Q1 FY23.

The only physical differences between the HS-360X and the V450-H series are the color of the handheld unit and the part number on the label.

The V450-H must use WeblinkPC 3.0 or later. The V450-H is not compatible with earlier versions of WeblinkPC.

The V450-H runs the same version of firmware as the latest release of HS-360X, but is not compatible with older HS-360X firmware.

**[ Difference from discontinued product ]**

Recommended replacement Model	Body Color	Dimensions	Wire connection	Mounting Dimensions	Characteristics	Operation ratings	Operation methods
